

ZONTA WOMAN TO WOMAN

MENTOR AWARD

Background

Zonta International is a global organization of executives and professionals working together to advance the status of women worldwide through service and advocacy.

In celebration of International Women's Day, in March 2009, the Zonta Club of Mississauga launched their "Woman to Woman" Campaign: "Give to a Woman In Your Life!" with the production and distribution of bookmarks. Each bookmark encouraged women to mentor, advocate, share, encourage and educate each other.
